Counsel for the parties and counsel for the SBI further stipulate and agree to the following statements of facts, which authorize this Court's entry of the Joint Stipulation and Consent Order:

1. The SBI file material is relevant to the subject matter involved in the case before this Court.
2. Counsel for the SBI, after reviewing this file and related documents, has determined that she has no objection to turning over the SBI file materials requested to counsel for Plaintiff and Defendants in response to the parties' request for the following reasons:
 - A. No policy reasons exist for denial of the parties' request for production of these materials;

- B. There is no prejudice to the SBI by releasing this material;
 - C. There are no identities of persons contained in the materials which need to be protected;
 - D. Any criminal investigation which might have been the subject of this SBI file has been concluded; and
 - E. The interests of the State of North Carolina are not prejudiced in any way by the release of these materials to counsel for the Plaintiff and Defendants.
3. Except as may be otherwise provided by further Order of the Court, documents contained within the SBI file shall be used *for no purpose other than prosecuting or defending this action and shall be disclosed only to the persons identified in paragraph 6 below.*
4. Access to and the use of any documents, or any part thereof, of the SBI file shall be limited to:
- A. the Court;
 - B. the parties and attorneys of record for the parties;
 - C. court-appointed mediators;
 - D. consultants and technical experts involved in the preparation of this action;
 - E. court reporters, their transcribers, assistants, and employees;
 - F. any potential or actual deposition or trial witness to the extent that it is necessary to tender to such witness as an exhibit a confidential document in order to elicit testimony relevant to the matters at issue in this case;
 - G. the jury.
5. Counsel may make copies of the SBI file materials for Plaintiff's or Defendants' experts upon receiving from said experts a *written agreement* that they will be bound by the terms of this Joint Stipulation and Consent Order. The requirement of obtaining such an agreement shall be satisfied by having each of the Plaintiff's or Defendants' experts read, acknowledge, and agree in writing to be bound by this Joint Stipulation and Consent Order. A file of all such written acknowledgments shall be maintained by the Plaintiff's and/or Defendants' counsel. By signing the declaration agreeing to be bound by this Joint Stipulation and Consent Order, each of Plaintiff's or Defendants' experts submit himself or herself to the jurisdiction of this Court for purposes of enforcement of this Joint Stipulation and Consent Order.

6. Individuals who are permitted access to the SBI file materials pursuant to paragraph 6 are hereby ordered not to show, convey, or reproduce any documents so designated or parts thereof, or copies thereof, or any matter contained therein, or any extracts or summaries thereof, to any individual, or to any entity that would not otherwise have access to said documents under provisions of this Joint Stipulation and Consent Order. The records shall not be further copied in any manner without permission of the Court and all original and allowed copies thereof shall be returned to the SBI at the conclusion of this action with a certification that no other copies exist and that all copies have been duly returned in compliance with this Order.

7. At the conclusion of this litigation, each document produced by the SBI and subject to this Joint Stipulation and Consent Order shall be returned to the SBI for destruction.
